Team Goal:

Integrate ECU Tomorrow and ECU Strategic Action Plan into an application that integrates these documents within the ECU mission and motto resulting in extension of ECU's classification of an engaged institution.

Leader: Beth Velde

develop agendas and facilitate team meetings, record and distribute minutes; coordinate data processes (identify data sources and data types for each question, assign duties re: data collection, maintain files of data, analyze data, interview stakeholders); develop draft responses for each question; provide drafts of responses to stakeholders for feedback; coordinate and synthesize feedback into document drafts and final document: insure stakeholders have access to process, drafts and final document. Report to Academic Deans and Directors, Academic Council, Executive Council and Chancellor Ballard on team progress.

Team Members:

Collaborate in decision making, assist in data gathering, formulate key concepts and revise definitions, assist in choosing exemplars from the gathered data to highlight in document, identify key stakeholders among university and community colleagues, and provide feedback on drafts and on process.
