The failure of ECU to require the performance by COLLABORATOR of any provision of this Agreement shall in no way affect the rights of ECU to enforce the same in the future, nor shall the waiver by ECU of any breach, violation, or threatened breach or violation of any provision of the Agreement be construed as a waiver of any subsequent breach, violation, or threatened breach or violation of this Agreement by COLLABORATOR. The waiver of a breach of any term or condition of this Agreement will not constitute the waiver of any other breach of the same or any other term.

24. In the event any provision of this Agreement is found by any court or tribunal to be partially or wholly invalid or unenforceable, the remainder of the Agreement nevertheless shall be enforceable and binding, and the invalid or unenforceable provision shall be modified or restricted to the extent and in the manner necessary to render the same valid and enforceable, or, if such provision cannot under any circumstances be so modified or restricted, it shall be excised from the Agreement without affecting the validity or enforceability of any remaining provisions.
