Our group will enjoy a beautiful 1.5 hours private tour through one mile of dapple-shaded, paved paths. The tour includes an overview of the seasonal plants in bloom and the history of the Elizabethan Gardens. This tour has a mild pace and plenty of time to enjoy the scenery, take photos, and ask questions without being rushed. There will be plenty of time to visit the Royal Exchange Gift Shoppe before departing.

This day trip includes bus transportation, departing from the ECU Willis Building. After the Gardens, we will enjoy lunch at one of the local restaurants in downtown Manteo and then explore the views and shops. Lunch is not included in the trip cost.
