

RESOLUTION

No Overhead Payment to State-Supported Universities for Cooperative Projects

WHEREAS, the Wildlife Resources Commission regularly enters into cooperative projects with State-supported Universities and contributes funds for support of these projects; and

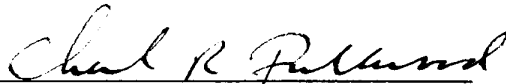

WHEREAS, the Wildlife Resources Commission wants to ensure that all funds designated for cooperative projects is used for those purposes.

NOW THEREFORE BE IT RESOLVED, that the Wildlife Resources Commission hereby establishes the policy of not paying administrative overhead on any cooperatively funded project with a State-supported University.
