

Guidance for Academic and Research Activities with Individuals Ordinarily Resident in North Korea

In addition to prohibiting our engaging in activities with individuals and entities that appear on the U.S. Department of Treasury's Office of Foreign Assets Control's (OFAC's) list of Specially Designated Nationals and Blocked Persons, OFAC administers various U.S. sanctions. The most comprehensive sanctions prohibit, without OFAC authorization, providing certain services, technology, or goods to individuals and governments of those sanctioned countries.

See the following table for guidance on various academic and research activities.
