**National Institute of Food and Agriculture (NIFA) Federal Assistance Programs Indirect Cost Guidance**

Indirect costs (otherwise known as facilities and administration costs) may be limited by legislation under agency awards. The following 3 charts (Research and Education Activities; Extension Activities; and Integrated Activities) are to assist in the understanding of the applicable indirect cost rate for NEW awards under NIFA programs. NIFA applicants should follow any indirect cost limitation identified in the applicable request for applications (RFA) or cooperative agreement and awardees must comply with any indirect cost limitation identified in an award.
