University and Medical Center IRB

This website contains the information you need to submit your human research for review and approval by the University and Medical Center Institutional Review Board (UMCIRB). The primary function of the UMCIRB is to protect the rights and welfare of human participants in research at ECU, Vidant Medical Center and its affiliates and in research conducted elsewhere by faculty, students, staff or other representatives of the university in connection with their responsibilities or education. This mission is accomplished by an institutional commitment to

Dear New User,

Your account and profile have been created and your login information is below. Be sure to edit your Researcher Profile using the following link: New User's Profile

User ID: nonECUUser

Password: password

You will need to reference the email you received upon registration (or password reset) for your User ID and temporary password.

East Carolina University

ECU Users with a PirateID enter here:

[LOGIN]

If you do not have a PirateID,

[click here]

Non-ECU users access ePIRATE by first clicking the [click here] button

After signing into this site, you are bound by the terms and conditions set forth when you received your account.

East Carolina University

ECU Users with a PirateID enter here:

[LOGIN]

If you do not have a PirateID,

[click here]

Use the User Name Field to your User ID.

During your first login (or upon password reset) you will enter the temporary password sent to you and then you will create a permanent password. This will become the password used to access ePIRATE.

Login as

User Name: [_____]

Password: [_____]

[Login]

s site, you are bound by the terms and conditions set forth when you received your account.

After you enter your User ID and the temporary password contained in the email and click the "Login" button it will appear that the page refreshes and brings you back to the initial login screen. This is normal.

Click the [click here] button again to open the permanent password reset menu shown next.

Passwords for non-ECU user accounts have special requirements:

- Require a minimum password length of 12 characters

- Need to include a mix of three of these four groups:

  - Lower case alphabet

  - Uppercase alphabet

  - Numeric characters

  - Special characters (should not include any part of the user's userid, first/last name, or employer name);

Passwords will expire and be reset every 90 days - the system will prompt this.

Welcome to ePIRATE, the electronic Portal for Institutional Research at East Carolina University.

This site enables East Carolina University to manage all aspects of Institutional Review Board (IRB) compliance processes.

Click on **Dashboard** in the upper left hand corner of this screen to create a study, create and edit your **Profile**, and perform other actions on existing research studies.

***UPGRADE NOTIFICATION: ePIRATE was upgraded on Wednesday, March 17, 2021.** The biggest change that existing users will notice is with the *look* of the IRB application smartform. The "Jump To" menu has moved to the left side of the screen and several other navigation tools on the application pages have been moved. Please review the following 5 minute tutorial explaining this newest upgrade: ePIRATE Upgrade

***9.11.2020**: Existing research studies that are changing their method of paying
