ARE YOU INTERESTED IN UNDERGRADUATE RESEARCH?

Join us this spring to find out how you can participate in undergraduate research opportunities!

**URCA Awards Deadline // January 25**
Undergraduate Research and Creative Activity Awards provide funds to support faculty-mentored research and creative projects undertaken by undergraduate students.

**RCAW Abstract Deadline // February 1**
Research and Creative Achievement Week provides students with opportunities to share their research and creative projects with members of the ECU community.

**UR Mini Awards Deadline // March 20**
Undergraduate Research Mini Awards provide students up to $600 to fund their mentored research projects. Priority is given to students in education, business, communications and the arts, criminal justice and other social science disciplines, humanities, mathematics, and computer science fields.

**Internship & Research Project Opportunities**
Internship and research project opportunities are available locally and nationwide through the Student Opportunity Center. Visit the center online at sso.studentopportunitycenter.com/ecu/login to explore internship availability.
